

LANDESLAGER 2024

The Bavarian Jamboree

Dear Scouts and Guides,

We would like to invite all Scouts to the Bavarian Jamboree 2024; the “Landeslager”! The camp will take place in **Königsdorf** on a large campsite in a small village in the heart of Bavaria from **July 27th to August 5th 2024**.

For the camp, we are looking for international partner groups who would like to spend the “Landeslager” together with a German partner group!

Activities that the Bavarian Jamboree will include are, among others, a trip to Munich, a visit of Neuschwanstein Castle, hikes, canoe trips, as well as the program at the campsite, such as typical games or workshops. Of course, there will also be evenings by the campfire, socializing and getting to know each other.

The camp is **organized** by the VCP Bayern, the Bavarian unit of the Association of Christian Scouts and Guides in Germany. We expect approximately 500 German scouts and 200 international guests at the camp.

1 What is the “Landeslager”?

The “Landeslager” is a big Scout Jamboree, organized by the VCP Bayern. Every four years scouts from all over Bavaria (and international guests) come together to have a good time, exchange ideas, meet new people, attend workshops and go on excursions. This year’s overall theme will be “*timeless*”, as we will **travel through time**. Since there are going to be **approximately 700 people**, we will split the Jamboree in six organizational units, each of them representing a different era.

2 How can we participate?

If you and your group want to participate in the “Landeslager”, you can **register via the following link:**

Please read the description beneath to avoid mistakes in the registration process.

<https://lala.vcp-bayern.de/?&locale=en>

As a group leader, you use this link and fill out the form, entering your personal data. On the same page, you can fill out the second form “only for group leaders/ staff members”.

Here, you must enter the **payment information for your whole group**.

After the registration has been completed in May, we will debit the corresponding contribution of all participants from the specified account. **You should then check that**

all participants have transferred the fee to the account you have specified.

After you have finished your registration, you will receive a **groupID**, group link and a confirmation.

Please pass the group link/ groupID on to your group members. They can then register as members of your group.

For participants **under the age of 18**, the registration confirmation must additionally be signed by a parent or guardian. Please scan the signed registrations of your group and send them to anmeldung@landeslager.bayern.

If **siblings** come to the camp together, every sibling from the second on only has to pay a reduced participation fee of €216 instead of €269. In that case, the sibling registering second must enter the firsts registration number in their own registration form.

Any questions? Please ask anmeldung@landeslager.bayern

3 Price and costs

The regular price for the “Landeslager” is **€269**.

If **siblings** come to the camp together, every sibling from the second on only has to pay a reduced participation fee of **€216** instead of €269. In that case, the sibling registering second must enter the firsts registration number in their own registration form.

That price contains **accommodation, meals and material costs for the program and the excursions**. It does **not contain travelling costs**. Also, there will be the possibility to buy extra snacks and drinks, which are not included in the general fee either, for example anything you can consume at the camp's café or bar. Still, if you do not want to consume anything there, you will not face any extra costs at the camp.

4 Excursions

On Monday the 29th of July, Tuesday the 30th of July and Thursday the 1st of August you will have the opportunity to participate in excursions. These will go to the areas around Königsdorf and can be anything from hiking to sightseeing. Which excursions we can offer exactly is not sure yet, since our team is still working on them. **You will be able to book an excursion for your group in May, detailed information will follow soon.**

5 Meals

As mentioned above, we have to split the camp into six organizational groups, the subcamps. Each subcamp has their own kitchen team, cooking for them. All subcamps will eat the same meals at the same time though, so it does not make a difference in which subcamp you are, regarding your meals. This also means that

you will not have to cook for yourself. Therefore, **no extra kitchen equipment is required.**

There are going to be three meals a day; breakfast, lunch and dinner. Your subcamp leaders will announce the time and place for the whole subcamp to have these meals together. For breakfast we usually have cereals, bread and spread. At least one out of the other two daily meals will be warm. We also pay attention to regional and healthy food.

If you want to eat vegetarian/vegan/hallal food, please tick the corresponding box in your application.

6 Material – What do we need?

Of course, you will need your own **tents** to sleep in. Aside from that you will not need much, as meals, sanitary facilities, etc. will be provided. Every participant will need their own **dishes** though.

7 Travelling information

There are several ways to reach the “Landeslager”:

By train:

If it is possible for you to travel by train, this is probably the most environmentally friendly way. You can find your connections and buy your

tickets for German trains here:

<https://int.bahn.de/en>

Another helpful tool to find international train connection can be:

<https://www.thetrainline.com>

If you are travelling by train, you should travel to **München Hauptbahnhof** (Munich Central Station). From there on you can take the regional train (S-Bahn) to **Wolfratshausen**.

We will organize a shuttle from Wolfratshausen Station to the campsite.

Please contact us in advance, if you want to use the Shuttle.

By car:

If you are travelling by car, here is the google maps link for the campsite:

Please note, that there are not too many possibilities to park your car there. **Contact us in advance to make sure you can park your car close to the campsite.**

German streets can be used for free, so you will not face any extra costs.

By airplane:

If you are coming to Germany by plane, it will be easiest for you to travel to Munich airport. From there on, you can take the regional train (S-Bahn) to München Hauptbahnhof (Munich Central Station), where you will have to switch to another regional train to Wolfratshausen. From there on, we will organize a Shuttle to the campsite. Please contact us in advance, if you want to use the Shuttle.

If your connection does not go to Munich airport but to another German airport (Frankfurt, Nürnberg)

8 Programme:

The Tourism plc “*timeless- time travel for everyone*” invented a new form of travelling: time travel to different eras of the past will offer you a special experience.

As a participant in the “Landeslager” you will join the time travel and visit different eras, learn about different ages and experience the historic peculiarities of each period.

We invite you to the premiere of *timeless*’ very own, first ever holiday in the past!

Stay tuned!

9 Communication

There will be an **International Team**, taking special care of our international guests, helping you with orientation, understanding, etc. at the campsite and beforehand.

Also, if you have any questions, particularly regarding the registration, you can write an e-mail to anmeldung@landeslager.bayern.

When the camp is about to start and you know your subcamp, you can of course always ask your **subcamp leaders**.

The same applies to the Landeslager itself. On site, you can always ask one of your subcamp's leaders or the International Team.

We are looking forward to having you!
